

EOS Cubo Avantgarde

Premium-class sauna heater for (dry) Finnish sauna.

Floor-standing sauna heater for dry sauna as an exclusive Avantgarde edition. Striking, distinctive design thanks to the stylish rock store extension frame with white quartz stones. The luxurious matt black finish on all sides perfectly completes the design – great for installation in the center or in front of glass panels.

Your advantages:

- Exclusive, distinctive design with stylish rock store extension.
- Luxurious "matt black" finish on all sides including the top.
- Set of special white quartz stones included in delivery.
- Uniform appearance on all sides – perfect for installation in front of glass panel or in the center of the sauna.
- Compact size – only 38.5 cm / 1.3 ft depth.
- Made in Germany quality from EOS.
